

The Inn at Steamboat

A Classic Colorado Ski Lodge

A Condominium / Hotel Ownership Opportunity

The Inn at Steamboat has operated for over 30 years as a quaint, intimate bed & breakfast ski lodge. New ownership has begun interior renovations and will be offering ownership opportunities on all 34 individual units. Complete redecorating of the accommodations, common areas, and amenities will upgrade and enhance the classic appeal. Steamboat Resorts will oversee management of the Inn when it re-opens this spring—offering owners and hotel guests the best in amenities and services.
